LET THE
APP
GUIDE
YOU...

Using the
app's audio

commentaries, discover the routes that are open to visitors, the most prestigious areas of the Palace, as well as the least explored corners of the grounds. There are audio, text and video bonuses for extra information. You can add 'favorites' which help you return to the places you have selected.

EXPLORE WITHOUT GETTING LOST ...

Thanks to the interactive map, it's easy to find services (Wi-Fi, toilets, restaurants, etc.) and places of interest in the Palace, the Gardens of Versailles (the Groves, the Orangery,

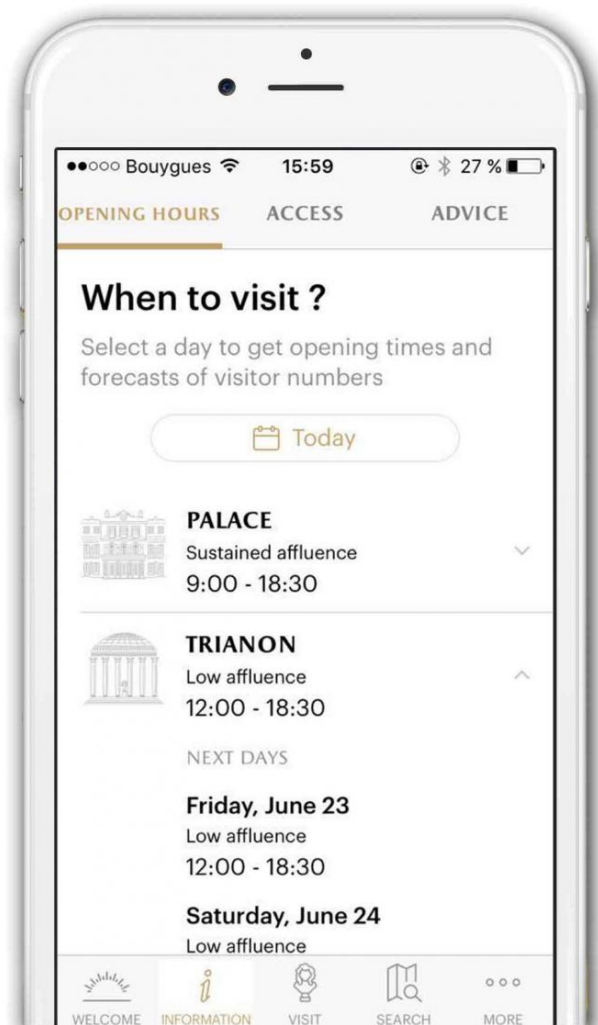

Latona Fountain...), the Trianon Estate (Grand Trianon, Petit Trianon, the Queen's Hamlet...) and the Park (the Grand Canal, the Royal Star...). Using geolocation you can quickly see which services and places of interest are close by.

PLANNING YOUR VISIT...

Opening times, transport, advice, FAQ, etc. The app gives you the information you need to make the most of your visit and choose the best day to come, depending on the crowds and the programme of events. The app offers direct access to the Palace ticketing service and to the Palace e-boutique.

The app is also available in French and in Spanish.

CHARGE YOUR PHONE

Enjoy self-service, free and secure [charging stations](#) for all types of mobile phone. You can locate the charging stations on the [interactive map](#) or directly on the mobile app.
