

Instructor's Biography

My name is Milton López and I am going to be your tutor who will guide you during this learning-teaching process. I have achieved a degree as

“Ingeniero en Comercio Exterior e Integración” and a “Diplomado Superior en Competencias para la Educación Superior”. I have also approved the TKT modules 1, 2 and 3 International Certificates from Cambridge University, and have been taking and approved some Certified Courses in teaching English as a Global Language from Laureate International Universities. My working teaching experience started in 2006 at High Schools and University levels. Since then I have been working with young adults and adults that is the group of students I am currently working with. As your teacher, I will help you to succeed in this course.
